

CYBER SAFETY & CODING PROGRAMMES FOR PRIMARY SCHOOLS

Revolutionize education with engaging Cyber Safety and Coding lessons from www.cyberschool.ie

Welcome to CyberSchool

At CyberSchool.ie, we believe that education should go beyond traditional classrooms.

We work with:

- Primary Schools
- Post-Primary Schools
- Libraries
- Youth Organisations

Our programmes are online digital lessons. Teachers need no experience in these areas.

We use a teacher-friendly Play & Pause system.

WE TEACH, THE TEACHER FACILITATES THE LEARNING!

Benefits of Pre-recorded Cyber Safety Lessons for Primary Schools

Engaging and Interactive

Our lessons use visuals and interactive activities to keep young learners engaged from start to finish.

Flexible and Convenient

Teachers can incorporate our pre-recorded lessons into their schedules, allowing for flexibility in the classroom.

Comprehensive Curriculum

Our lessons cover a range of cyber safety topics, ensuring students are equipped with the knowledge and skills to stay safe online.

Parent Involvement

Our lessons include resources and tips for parents to help reinforce cyber safety concepts at home, creating a comprehensive learning experience for students.

Primary Schools Cyber Safety Programme

2nd to 6th Class
Cyber Safety

Parents Cyber
Safety Lesson

Teacher Cyber
Safety CPD

We Cover Topics such as:

Citizenship in Our Digital World

Cyber Bullying

Inappropriate Content

Understanding Balance

Digital Stranger Danger

Digital Footprint

Online Gaming

Screen Time Management

Benefits of Coding for Primary Schools

Foster Creativity

Our coding lessons encourage students to explore their creativity and develop problem-solving skills through hands-on projects.

Enhance Digital Literacy

By learning to code, students develop a deeper understanding of technology and become confident users of digital tools.

Future-Proof Skills

Coding skills are in high demand and provide a solid foundation for future careers in a rapidly evolving digital world.

Primary School Coding Programmes

Progressive Lessons

We offer progressively structured coding and cyber safety lessons for students in second to sixth class.

Expert Delivery

Our expert tutor delivers the lessons through an on-screen presentation, allowing teachers to facilitate the learning.

Curriculum Linkage

Each year's lessons include curriculum linkage and STEM+A to ensure a well-rounded education.

2nd to 6th Class Coding Lessons

2nd class receives 12 Scratch lessons.
3RD to 6th receive 18 lessons covering Scratch, HTML/CSS & Python

Teacher Coding CPD

We also provide professional development for teachers to improve their coding skills and effectively teach the lessons.
